## Payment

*A required \$300.00 retainer is paid in advance. At the time the retainer fee is paid, you are reserving Rodrigues Digital Media to photograph your wedding. The \$300.00 retainer counts towards your minimum purchase. Your retainer guarantees the reserved date and is non-refundable (it can be credited for photography work at a later date; not to exceed 90 days from the reserved date). The balance of your minimum purchase is due on the wedding day. When your final order is placed, any remaining balance is due. Orders will not be placed until payment is received in full. Your order must be placed within 90 days of the wedding date or the retainer fee will not count toward your minimum purchase.*

## Wedding Information

All weddings are shot with a combination of traditional and photojournalistic styles. The two styles complement each other very well and provide a very complete memory of your wedding. My aim is to please, and almost any request can be accommodated.

After the wedding, your photos will be placed in an online gallery for viewing by family and friends. Prints can also be conveniently ordered by family and friends

from my online store so you don't have to worry about taking their orders.

You'll notice that I don't have restrictive pricing packages. Just choose the option with the minimum purchase that best suits your budget. You can put together whatever combination of albums, coffee table style books, or prints that you wish. Call today to reserve your wedding date and have all the memories of this important day captured by *Rodrigues Digital Media*.
